

## CONFIDENTIALITY AGREEMENT FOR SCHOOL VOLUNTEERS

\_\_\_\_\_ respects the privacy of our students and staff. We are

**Insert school name here**

committed to protecting privacy by keeping school matters confidential. We want to foster positive relationships with the District Five community, while maintaining a level of privacy among our volunteers. The names of all students and staff members, information regarding discipline and behavior issues, health concerns or other school or student related issue should not be discussed directly or indirectly with others.

I, \_\_\_\_\_, agree not to discuss the names of all students and staff members,

**Print name here**

information regarding discipline issues, health concerns or other school or student related issue with other individuals.
